

LE DECINE DEL ROSARIO

THE SHRINE OF OUR LADY OF POMPEII

The Oldest Continuing Italian-American Catholic Church
in the City of Chicago, located in the heart of historic "Little Italy."

A Gift of Italian-American Hospitality, Embracing All People of Faith
Founded in 1911 ✕ Established as a Shrine in 1994

The term **shrine** signifies a church or other sacred place to which the faithful make pilgrimages for a particular pious reason with the approval of the local ordinary. At shrines, more abundant means of salvation are to be provided for the faithful; the Word of God is to be carefully proclaimed; liturgical life is to be appropriately fostered especially through the celebration of the Eucharist and penance; and approved forms of popular piety are to be cultivated.

Code of Canon Law, 1230 and 1234

Le Decine del Rosario is the Italian phrase for decades of the rosary, representing the twenty decades of the rosary, for which our weekly bulletin is named.

FRUIT OF THE WORD

The seed is the word of God. The agricultural metaphors in all of today's readings give richness to the message that the word of God, cultivated in our hearts, bears much fruit in our lives. Creation itself awaits the redemption of all, even as our bodies await the resurrection. Just as we will rejoice in the fulfillment of God's word, so will all of creation sing

for joy in the Reign of God. The word of God is effective and holy; it brings about exactly what it says. It is not futile or empty, but rich in meaning for those who hear and are healed. Those who hear the word of God and keep it will, with all creation, bear much fruit and sing for joy.

TREASURES FROM OUR TRADITION

Two centuries ago, Archbishop John Carroll worried that Americans would not appreciate the linguistic veil over our worship, and asked that the liturgy in the new United States be in English, not Latin. How did our liturgy come to be in Latin in the first place? In the first century, the dominant language in the regions where the church first flourished was Greek. Today in much of the world, almost everyone speaks at least a bit of English. Recently, the European Union even considered making English its official language, a curious proposal since only two English-speaking countries are members.

Just as English is a unifying language today, it was hard to function in the ancient world without a smattering of Greek. Even the word "Eucharist" comes from the Greek for "thanksgiving." For a long time, Greek was the language of worship, even in Rome. Slowly, society in the west shifted to a bias for Latin and against Greek. Latin first appeared in public prayer at the end of the second century, in the colonial outposts of North Africa. Soon, Latin became the language of culture, and so as fixed prayer forms were written, they were transmitted in Latin. From Rome and Africa, over the next four centuries, the new liturgical language of Latin spread north to Gaul and Britain.
