

# LE DECINE DEL ROSARIO

## THE SHRINE OF OUR LADY OF POMPEII

The Oldest Continuing Italian-American Catholic Church  
in the City of Chicago, located in the heart of historic "Little Italy."

A Gift of Italian-American Hospitality, Embracing All People of Faith  
Founded in 1911 ✠ Established as a Shrine in 1994

The term **shrine** signifies a church or other sacred place to which the faithful make pilgrimages for a particular pious reason with the approval of the local ordinary. At shrines, more abundant means of salvation are to be provided for the faithful; the Word of God is to be carefully proclaimed; liturgical life is to be appropriately fostered especially through the celebration of the Eucharist and penance; and approved forms of popular piety are to be cultivated.

*Code of Canon Law, 1230 and 1234*

*Le Decine del Rosario* is the Italian phrase for decades of the rosary, representing the twenty decades of the rosary, for which our weekly bulletin is named.

*Pray for Peace  
and the reuniting  
of all immigrant families  
swiftly and safely.*

**WEEKLY MIRACLE**

This week marks the beginning of a kind of "liturgical detour." We have been listening to Saint Mark's Gospel during this liturgical year (Year B). Today we begin to hear a long section from John's Gospel, starting with the miracle of the multiplication of the loaves and fishes. This miracle story is a prelude to the Lord's statements that we will begin hearing in a few weeks, in which Jesus refers to himself as the "bread of life." Each week we witness a miracle at Mass. We do not see a multiplication of loaves

before us. What our eyes of faith allow us to see is the miracle of the transformation of common elements - bread and wine - into the Lord's Body and Blood. Once we have received the Lord, the multiplication begins, for in the Eucharist we are strengthened to multiply our efforts to feed the poor, shelter the homeless, and bring comfort to the despairing.
