LE DECINE DEL ROSARIO

THE SHRINE OF OUR LADY OF POMPEII

The Oldest Continuing Italian-American Roman Catholic Church
in the Archdiocese of Chicago, located in the heart of historic "Little Italy."

A Gift of Italian-American Hospitality, Embracing All People of Faith
Founded in 1911 ✘ Established as a Shrine in 1994

The term **shrine** signifies a church or other sacred place to which the faithful make pilgrimages for a particular pious reason with the approval of the local ordinary. At shrines, more abundant means of salvation are to be provided for the faithful; the Word of God is to be carefully proclaimed; liturgical life is to be appropriately fostered especially through the celebration of the Eucharist and penance; and approved forms of popular piety are to be cultivated.

Code of Canon Law, 1230 and 1234

Le Decine del Rosario is the Italian phrase for decades of the rosary, representing the twenty decades of the rosary, for which our weekly bulletin is named.

Summer in newly opened Chicago! Coming to the Shrine...!

Shining On... & consecrated to Mary, Queen of the Holy Rosary, **The Shrine of Our Lady of Pompeii** is a place to pray for peace that embraces all people of faith. A center of hospitality and spiritual growth, the Shrine's ministry is one of spiritual assistance and service where all might experience inspirational moments of prayer, comfort and contemplation. Margaret's Lemonade Stand is coming to the Shrine June 27! Margaret is a young entrepreneur who, in 2019 at the age of 8 years old, created a lemonade stand that would change the way people viewed a cup of lemonade. At first, Margaret's stand was in her house for her family and friends as practice for an outside one the following year.

When the next year approached – things did not go according to plan – the Covid-19 pandemic had begun. While watching the news one day on the reopening of schools, it was reported that the children would be returning in person. Margaret stood in front of the TV with a concerned look and said, "Kids are going to be scared to wear a mask, especially the little ones. They need a fun mask to wear and I'm going to buy them." How would she do that? With her lemonade stand!

Margaret surpassed her goal and with the remaining funds, applied them to other places in need. The stand closed for the school year so Margaret could concentrate on schoolwork. She still manages to do a pop-up stand here and there to help her community.

Margaret finds a recipient, advertises that she is fundraising for, in this case, The Shrine of Our Lady of Pompeii. You can follow her progress on InstaGram (see page 2) & FB, where you can see her goal, and what she raises daily. She also travels to farmers' markets and other places to raise money for her goal.

What does the future of Margaret's Lemonade Stand hold as she gets older? It is a question that is often asked. Hopefully by the time she comes of age, Margaret will have a "Margaret's Lemonade Stand" food truck. It will sell more than lemonade and her lemonade sales will continue to benefit charities.

Margaret's Lemonade Stand begins Shrine fundraising Sunday, June 27, following the 8:30 & 11 a.m. Masses. She is raising funds to repair the arm of our 100-year-old statue of Christ on the crucifix and will continue until she reaches her goal. Monies that exceed her Shrine goal, go to other community needs.
